- Office buildings
- Day care centers

Typical Uses

- Bathtubs and showers
- Sinks and toilets
- Chrome and porcelain
- Tile and grout surfaces
- Fiberglass® and plastic surfaces

The Betco Advantage
Foaming action for longer contact times and maximum penetration of tough soils.

Frequently Asked Questions

- Do you have any mandates to use “environmentally preferable” chemical products?
- Are you currently using an acidic restroom cleaner?
- What are you currently using to clean and polish brass, chrome and stainless surfaces?
- Does your current restroom cleaner cling to vertical surfaces?

✓ Read the literature and MSDS Sheet.

✓ Get a sample of Green Earth® RTU Restroom Cleaner and test on a variety of surfaces.

✓ Demonstrate the foaming capability of Green Earth® RTU Restroom Cleaner versus a conventional restroom cleaner. The foaming action will yield faster and more consistent cleaning of vertical surfaces.
