Frequently Asked Questions

- Would you like the reassurance of cleaning with a hospital disinfectant?
- Are you interested in one product for cleaning practically any surface without worrying about damaging the surface?
- Is your current cleaner versatile enough to be used on carpets, glass and most other hard surfaces?
- Would you be interested in a simplified approach to cleaning with one product instead of multiple SKU's?

✓ Read the literature and MSDS Sheet.

✓ Get a sample of OxyFect H and use in appropriate areas.

✓ Spray a variety of surfaces and mention the pleasant fragrance.

✓ Show the efficacy data sheet to the health care personnel and discuss the extensive claims.
